Illustrious Potentate

**Illustrious Noble
HERMAN CHARLES McSTAY
PAST POTENTATE**

IN THE passing of Illustrious Noble Herman Charles McStay on Wednesday, November 28, 1962, Aleppo Temple lost one of its finest Nobles, a great hearted man and Mason who served his Fraternity and Shrinedom with patience, diligence and passive courage. Even at the time of his passing he was engaged in the Inspection of De Molay Commandery No. 7, K. T., of Boston, as the Grand Senior Warden of the Grand Commandery of Knights Templar of Massachusetts and Rhode Island.

He was a splendid exemplar of the spirit and teachings of the Shrine and, as Illustrious Potentate, his every thought was for the welfare and entertainment of the Nobility.

He enjoyed the invigorating tonic of his Masonic friendships, and his memory will be cherished for many years by those thousands of Shriners and York and Scottish Rite Masons who knew, enjoyed and appreciated him as a man and a Mason.

*"They never quite leave us, our friends who have passed
Through the shadows of death and the sunlight above;
A thousand bright memories are holding them fast
To the places they blessed with their presence and love."*

Potentate's Message

TO THE NOBILITY:

The time has come to render to you a report in my final official message as my term of office draws to a close. Let me tell you what a memorable year it has been for me and to thank you all for your grand support and encouragement.

Your Potentate set three goals for the year, and I am happy to think that all were reached.

The first one was membership. Although the York and Scottish Rite Bodies did not have banner years, we initiated 666 Candidates, the second highest number of Candidates in the past five years. This will insure us of a good gain for the year and retention of our position as the fourth largest Temple in Shrinedom.

For the first time a quota system was set up for all the Uniformed Units and Shrine Clubs, and the great majority of them responded with many Candidates. The Uniformed Units, Staff Officers and the Merrimack Valley and Southeastern Massachusetts Shrine Clubs surpassed their quotas. They will receive awards at the January 11th Ceremonial. Elsewhere in this notice appears the final standings of the Units and the Clubs and you can judge the tremendous amount of work which was done. In addition individual medals will be given on January 11th to the sponsors of five and ten Candidates and to the Lieutenant of the Fifth Platoon, Noble Karsten H. Sandmo, who personally sponsored 16 Candidates for the 1962 Ceremonials.

Our second goal was a financial one, and I am happy to report that we will finish the year well in the black. Our budget called for only 425 Candidates, and we had 241 over that, which was largely responsible for our financial gain. We also had a substantial number of reinstatements.

Our third and most important goal was increased activities for you Nobles. We had our usual All-Masonic Night on June 2nd at the Boston Garden following the big Ceremonial in honor of the Imperial Potentate Marshall M. Porter the preceding night—Shrine Night at the Ice Follies in February—the trip to Toronto for the Imperial Session in July, and the annual Shrine Circus at the Boston Arena in October. We held four Full Form Ceremonials, including an outstanding one in Lowell for the first time, which was attended by more than two thousand Nobles and featured two street parades.

In addition, there was a resumption of our Shrine Luncheons, featuring the outstanding T. V. program "Starring the Editors", which was enjoyed by over 500 Nobles and their guests at the Statler Hilton Hotel on April 24th. We also held a Shrine Golf Outing and Tournament at the Charles River Country Club on July 23rd, which was very well attended. We sponsored the Bean Bowl Football Game between Boston University and the University of Kansas on September 29th, and put on a fine half-time show in spite of the bad weather. And finally we took over the Gary Theatre in Boston for the premiere opening of the outstanding film "Lawrence of Arabia" on December 21st, exclusively for Shriners and families.

During the year two new Units were formed. We now have an outstanding "Shrine Clown Unit" under the direction of Noble Leo A. Heal formed principally from a group of Nobles from the Fitchburg and Leominster Shrine Club led by Noble Philip B. Poole. We also encouraged the formation of a "Swing Band Unit" of 15 members from the Nobles of our fine Shrine Band which has been developed under the leadership of Nobles Albert Saunders and Walter Smith.

Another new activity for our Temple is our Visiting and Sick Committee under the direction of our Hospitaler, Noble Robert Gladwin of the Massachusetts General Hospital. Appropriate Aleppo Temple cards have been mailed to our indisposed Nobles and many visits were made throughout the year to them by this outstanding new Committee.

At Ceremonials we have had the invaluable assistance of the "Temple Guards" who, in addition to guarding all doors at Ceremonials, have been posted at strategic positions to assist Nobles needing medical assistance and to form a close liaison with our outstanding Medical Staff headed by Noble Dr. Louis F. Salerno, ably assisted by Noble Dr. J. William Hite.

Our ten Shrine Clubs have been most active and all of them have held Receptions to your Potentate and his Officers.

Our Officers' Third Degree team under Noble Stanley F. Maxwell, the Grand High Priest of the Gand Chapter, has been most active in conferring the Master Mason Degree in six Blue

Lodges, including Tuscan Lodge of Lawrence on April 9th; Bethlehem Lodge of Lynn on May 18th; St. John's Lodge of Boston on June 26th; Saint Martin's Lodge of Chatham on the Cape on September 8th; Zerubbabel Lodge of Dorchester on November 13th and Washington Lodge of Lexington on December 12th. It was with regret that we were unable to accept similar invitations from other lodges.

We were immeasurably saddened by the death of our beloved Past Potentate, Illustrious Herman C. McStay, on November 28th. He served Aleppo well for two years, 1955-56, showing a gain of some 1250 Nobles, and putting Aleppo Temple close to the 16,000 mark, where we hope we will stay. He was a warm, personal friend of your Potentate, and was appointed by him in Aleppo's line as Second Ceremonial Master. His is a deep loss.

The Imperial Shrine at its Session in Toronto pledged ten million dollars for the erection of three hospitals for the treatment and study of dangerous burns, as a companion philanthropy to our seventeen Hospitals for Crippled Children. A strong effort is being made to have one of these new hospitals erected in Boston, the medical center of the country, by your Imperial Representatives. Past Imperial Potentate Robert G. Wilson, Jr. is a member of the Committee working on this great project. Also at Toronto our own Past Potentate, Imperial Sir Edgar L. Turner, was elevated to the position of Imperial Captain of the Guard on motion of your Potentate.

As I close my year as Potentate, I wish to thank and pay tribute to the following:

The Divan of Aleppo Temple, Nobles Herbert N. Faulkner, Clarence G. Young, William A. Odell, and Carl R. MacKenney, and especially to those hard and efficient workers, Illustrious Noble Frank B. Ells, our devoted Treasurer, and Noble Harvey B. Leggee, our grand Recorder, whom we welcome back in full harness after a serious operation during the summer.

To our Past Potentates for their willing assistance and wise counsel—to my Temple Officers, Noble Hubert N. Bernard, Jr., First Ceremonial Master, and Noble Howard L. MacOdrum, Second Ceremonial Master, for their great help. To Noble J. William Garcia, Director of our Degree Staff, to Noble Charles R. Gunnarson, our Marshal, and his Assistants, to Noble Henry F. Bell, our outstanding Ceremonial Director, to the Temple Guards under a new leader, Noble Willard C. Lombard, Captain of the Guard, to our fine mounted Patrol led by Noble Captain Ralph W. Schwendenman, to the Oriental Band under Nobles Edward J. McKinnon and Harold Worth, to the new "Clowns" under Noble Leo A. Heal, the Provost Guard under Noble Harold L. Burr, and to that wonderful group of Nobles, my Adjutants and Potentate's Aides, who kept things running smoothly.

I especially want to thank the Chanters under the direction of Nobles Cyrus D. Thompson and Walter E. Rowe, who added so much to our Third Degrees and Ceremonials, and the enlarged and magnificent Band under Nobles Walter M. Smith and Albert F. Saunders, who came out in all kinds of weather whenever I asked and performed well.

And lastly to the Uniformed Units, under the direction of Nobles Rangnar Fridolin, William P. C. Smith, and George W. Vaughan, and with the invaluable help of Nobles Charles McClean Taylor, my warmest thanks for your wonderful work throughout the year. As a former member of the Patrol, I know the tremendous amount of time and effort these Nobles put into their drills, and I am humbly grateful.

In conclusion as my year as Potentate draws to a close, may I again express to every Noble my appreciation for your loyal support and the privilege and honor of serving you and Aleppo Temple. It has been a most active year and one which your Potentate will never forget.

May the New Year bring Health and Happiness to you and yours.

Cordially yours in the Faith,

James C. Bayley
Illustrious Potentate

ALEPPO'S 80TH ANNIVERSARY YEAR

JUNE 1962 — JUNE 1963

AN OPPORTUNITY TO BOOST ALEPPO

WE'VE A TREMENDOUS PRODUCT . . .
BUT TO SELL IT WE MUST TELL IT

Nobles:

In our Beloved Shrine — we have what is recognized as the World's Greatest Fraternal Product. We've a package that has tremendous merchandise appeal. Wrapped with colorful activity and tied with bands of worthwhile purpose ours is a product that is "all good." While it is world famous — and while it has excellent acceptance IT MUST BE SOLD to the prospective Shriner.

With our population increasing by millions and with Blue Lodge membership at an all-time High to keep abreast of the tide our sales challenge is a tremendous one. During the past 15 years Shrinedom's National Membership has increased each year — but the factor is that these increases are less and less each year. The diminishing gain trend is most alarming: —

1946-Gain 53,598 1953-Gain 28,262 1959-Gain 8,141

1949-Gain 31,961 1957-Gain 19,483 1961-Gain 4,131

Nobles, I give you these figures to prove that we have a real sales job to perform if we are to reach our National Goal of 1,000,000. We call upon you to join in reversing this trend by really SELLING SHRINEDOM.

We urge you to marshal your facts — to go forth and tell our story in a POSITIVE MANNER. Tell your prospect what Shrinedom WILL MEAN TO HIM — TO HIS FAMILY. Talk in terms of self-interest — paint a vivid word picture — make him want to join.

Tell him: in Shrinedom he will share a fellowship that is Unequaled in tone, quality and sincerity.

Tell him: in Shrinedom he will profit from meeting the big, the small, the successful, the humble, the famous, all on the same level.

Tell him: in Shrinedom he will have the opportunity to participate in a Uniformed Unit or an activity of his individual interest.

Tell him: as a Shriner he will share in the joy of being a living part of our 17 Great Hospitals for crippled Children. He will be a true doer of God's Noble Work.

Tell him: in Shrinedom he will have the prestige of belonging to a fraternity geared to meet the demands and spiritual values of men as they live and work together.

Tell him: when he too, proudly wears the Shrine pin, he will have joined the World's Greatest Fraternity.

Tell him: Aleppo Temple's brilliant ceremonials, social events, and colorful entertainments are Tops.

If you and every loyal Noble go forth and deal in positive facts, we will sell our product and meet the challenge by bringing into our Temple hundreds of fine new members. We've a tremendous product — but TO SELL IT WE MUST TELL IT.

NOBLES, YOUR 1963 SHRINE CARD WILL BE REQUIRED TO ATTEND ALEPPO'S ANNUAL MEETING AND CEREMONIAL IN THE COMMONWEALTH ARMORY BOSTON

FRIDAY, JANUARY 11, 1963

We suggest that you obtain yours BEFORE the day of the Meeting and make sure it will be available for your admission to this Annual Election and Full Form Ceremonial and Vaudeville.

ALEPPO CLOWNS

IN the early part of 1962 Aleppo's Potentate, Illustrious James C. Bayley appointed Noble Leo A. Heal to organize a new Temple Unit called the Aleppo "Clown Unit", in line with those being formed by other Temples throughout North America.

Starting with a small group at the June Ceremonial, they have endeavored to create an attitude of mirth and joviality at the Ceremonials, which has met with great success.

This new Unit of the Temple paraded at the Lowell Ceremonial, Saturday, October 20, 1962 and raised "hi jinx" in the street parade, receiving accolades from the Nobility and the Public for a job well done. The children along the parade route especially enjoyed the "Clowns" and the refreshments of lollipops and candy they distributed to them.

The Unit consists, at the present time, of eighteen men — the Officers being:

Leo A. Heal as Head of the Unit
Albert M. Smith as Secretary and Treasurer
Philip B. Poole as Manager

They are looking forward to the National Shrine Convention in Chicago next year and have plans for making Aleppo's future parades and ceremonials more colorful and outstanding.

SHRINERS' NEW GIFT TO MEDICAL SCIENCE!

AT the Imperial Session in Toronto, Canada, last July, the following Resolution, presented by the Burns Center Committee of the Board of Trustees of Shriners Hospitals for Crippled Children, was passed unanimously:

Resolution

Whereas reliable medical surveys disclose that each year thousands of children are rendered actually or potentially crippled by burns, and . . .

Whereas the facilities in North America for research, treatment, and care of such burns are inadequate and limited, and . . .

Whereas the Shrine, as a leader of child therapy in the field of orthopedics, can again make a contribution to medical science, now therefore be it . . .

Resolved, that Shriners Hospitals for Crippled Children, a Colorado Corporation, do construct, establish and operate one or more hospitals for the care and treatment of curable crippled children afflicted with acutely dangerous burns, and for research, activities and training programs related thereto, at such place or places in North America as the Board of Trustees of the Shriners Hospitals for Crippled Children may determine, at an aggregate cost not to exceed ten million dollars; and be it further . . .

Resolved that the Board of Trustees be directed to proceed forthwith to cause the first of the proposed hospitals to be built and put in operation.

In pursuance of this vote, questionnaires were sent out by the Committee to over 40 leading medical schools in the United States and Canada, requesting advices as to the school's principal teaching hospital, the number of service beds available for surgery and pediatrics, the number of faculty members for such specialized work, and other information; also requesting an opinion whether an Institute for Burns, operated by Shriners Hospitals affiliated with the medical school, would be desirable.

Since the July meeting the Special Burns Committee, consisting of Past Imperial Potentates Harvey A. Beffa, Robert Gardiner Wilson, Jr., and Marshall M. Porter, has been expanded to include four additional members of the Board of Trustees: Imperial Sirs George A. Mattison, Jr., Harold C. Close, and O. Carlyle Brock, together with Illustrious Carl A. Rahn.

A meeting of the Committee, held on December 1 at St. Louis, evaluated replies received from over 40 of the leading medical schools of North America, and tentatively decided on the advisability of a total of three hospitals, — one on the west coast, one on the east coast and one in the central section of the United States. A Sub-committee on Sites was thereupon chosen, including our own Past Potentate Robert Gardiner Wilson, Jr., to visit and interview medical authorities at each of the seven most desirable and appropriate localities. Report of the Committee will be made at the Mid-year Meeting of the Board of Trustees this month (January). One of the seven preferred sites is Boston, where Harvard Medical School and the Massachusetts General Hospital have been outstanding in the medical world. Visit by the members of the Committee in Boston was made on December 19 and December 20.

Let The Great Light of Fellowship Shine in Our Shrine

The Divan and Past Potentates of Aleppo Temple extend to the fine Nobility of Aleppo Temple and their families best wishes for a joyous, happy and successful 1963.

Let us all in the days to come raise our hearts and minds in sincere thankfulness for the countless gifts God has bestowed upon us. Let us be ever mindful that as Americans we possess the most precious of all gifts — Freedom.

ALEPPO TEMPLE UNIFORMED UNITS

By Colonel Rangnar Fridolin
Commander, Uniformed Units

ANOTHER successful Shrine year for Aleppo Temple has drawn to a close and as I look back over this fast passing year, I cannot help but feel very proud of the fact that I am a member of one of the truly great Temples in Shrinedom.

Shortly after our Annual Meeting held on January 26, 1962, Aleppo Temple's fine Patrol, for the fourth successive year, was invited to give an exhibition drill "on ice" during intermission on the opening night of the Ice Follies at the Boston Garden on February 13th. Following the drill, our Chanters, under the leadership of Dr. Cy Thompson, gave an exhibition of their vocal ability.

Two nights later, all members of the Uniformed Units attended the Potentate's annual enrollment dinner for all Uniformed Units held in the John Hancock Hall, where we were privileged to hear in detail his plans for the activity of the Temple for 1962.

On Saturday night, June 2nd, the Uniformed Units again put on their usual outstanding performance at the All-Masonic Night in the Boston Garden. The guest of the evening was our Imperial Potentate, Illustrious Sir Marshall M. Porter, who on the night before had paid his official visit to Aleppo Temple at the June 1st Ceremonial.

Much hard work and careful planning by our Potentate had been put into the Imperial Council Session held in Toronto, Canada, last July. On June 30th our Units, headed by our Potentate and his Officers, left Boston for Toronto, with stop-overs going and returning at the Queen Elizabeth Hotel in Montreal. Those who made this uniformed "Tour of Duty" will never forget the warm hospitality of the people of Toronto. This City can truly be labeled a great convention city, and never have we been more warmly greeted. We are all grateful to Maurice Ribert, Maitre d'hotel, and his staff at the Queen Elizabeth Hotel in Montreal for the excellent Buffet Dinner he provided our units on their return from Toronto.

Again on the night of September 29th, our Temple was honored when we were invited to give an exhibition drill between the halves at the Shrine Bean Bowl Football Game between Boston University and University of Kansas. The weather was very bad and much credit is due our Bands, Patrol and Degree Staff for the splendid efforts displayed under the adverse conditions.

In October our Units were called upon to take part in the Ceremonial in the Lowell Auditorium, which was the first one held in that city. The Units took part in two parades at Lowell.

On many occasions during the past year our Band, Chanters, Oriental Band and various Units of our Patrol have been called upon to give concerts or exhibition drills which have all been a credit to Aleppo Temple.

Early in the year at one of our first Patrol drills, one of the hard working Officers was highly honored when our Potentate made him the first Quartermaster Emeritus of Aleppo Temple. To this hard worker, Lieutenant Charles M. Taylor, I extend my congratulations and sincere thanks for all he has done for the Units. Lieutenant Taylor has served in this office for over 25 years.

Aleppo Temple can feel very proud of its Medical Staff under the very able leadership of Dr. Louis F. Salerno and his Assistant Chief Surgeon, Dr. J. William Hite, and the other members of the Medical Staff.

To the leaders of the Band, Patrol, Oriental Band, Mounted Patrol, Temple Guard, Chanters, Provost Guards, Degree Staff and the Clowns, and all the members of these Units, may I express my sincerest thanks for the fine assistance given on all occasions to make this year such a successful one for our Temple.

For the splendid assistance and cooperation given to the Units and myself by our very efficient Recorder, Harvey B. Leggee, and his Secretary in the Shrine Headquarters, Miss Phyllis Hill, and Mrs. Harry Munson, I want to express my sincerest thanks.

I would be remiss if I did not give a special thank you to my Patrol Staff, namely Major James F. Blatchford, Captain George W. Vaughan, Executive Officer, and his Assistant, Captain William P. C. Smith; Captain Hector MacFarlane, Personnel Adjutant; Lieutenant Charles M. Taylor, Quartermaster Em.; Captain Herman Waldstein, Activities Platoon Leader; Captain Henry Markow, Liaison Officer, and Captain Frank A. Parker.

Without the splendid assistance of my Staff Officers and all the members of the other Units, my job would be a difficult one, but I am very proud and feel highly honored to be the Colonel of such a fine group of Uniformed Nobles as we have in Aleppo Temple. If it was not for the great amount of time given by one individual, the foresight and planning that is put into the efforts to run a Temple such as ours, it would be a very difficult job. To this one individual, our Illustrious Potentate, James C. Bayley, we should all feel indebted.

To me it has been a year of pleasure and I have felt honored for the privilege to have worked with you and for you, and on behalf of the members of the Units and myself, I express to you our sincerest thanks for all you have done this past year. May you look back for many years on the successes that you had during your administration.

SHRINE NIGHT AT THE "ICE FOLLIES"

REPEATING the last three years' successful "Shrine Nights" at the popular Shipstead and Johnson's Ice Follies at Boston Garden, Aleppo Temple has again this year arranged for "SHRINE NIGHT" at the "FOLLIES" on Thursday, February 14, 1963. A special announcement and detailed information regarding this "Shrine Night" will be mailed to all members of Aleppo Temple.

Illustrious Potentate

Imperial Potentate Aleppo's Guest at All Masonic Night

IMPERIAL SIR GEORGE M. KLEPPER

OUR Imperial Potentate, George Madden Klepper, will be Aleppo's honored guest at this year's All Masonic Night in Boston Garden, Saturday, June 8th.

Imperial Sir Klepper was born September 11, 1903, in Kingston, Missouri, the son of Frank B. Klepper and Lela Madden Klepper, his parents being of Dutch and Scottish extraction. His father, Frank B. Klepper, graduated from the Law School of the University of Missouri in 1896 and subsequently was elected to the United States Congress from the old 3rd Congressional District, being the first Republican to be elected from that District. After retiring from Congress in 1908, his father moved to Cameron, Missouri, and it was there that George received his primary, grade and high school education and his pre-law work at Missouri Wesleyan College. During his high school and college days, George played both football and basketball. During the summers of 1920 through 1923 inclusive, he toured the West as a representative of Redpath Horner Chautauquas.

George studied Law at the University of Missouri, the University of Colorado and in January, 1925, completed his legal work at Washington University in St. Louis, Missouri. In January of that year, he moved to Memphis, Tennessee, where he began the practice of Law, and where he has continued to live and engage in his profession since that date, his son, George M. Klepper, Jr., being a partner in the firm, having

joined the firm after his graduation from the University of Mississippi Law School in 1953.

He has long been active in Republican politics and was either a delegate or alternate to all of the Republican Conventions from 1936 to 1952, and for a period of twenty-five years, he served as Chairman for the Shelby County Republican Party. However, he has never aspired to hold public office, but has always been a strong believer in the two party system of government. When he was elected as Imperial Outer Guard in Miami, Florida, in 1952, he withdrew from all political participation.

George married Margaret Lee of Springhill, Tennessee, on August 21, 1924, and of this union there were born two children, George M. Klepper, Jr., age 32, who is now married and has four children, and Elizabeth Lee Klepper, age 25.

The fraternal history of our Imperial Sir is as follows:

In 1920 he became a charter member of De Molay in Cameron, Missouri, where he was active in the Chapter until he went away to school. Just a few years ago there was conferred on him the Senior DeMolay's Legion of Honor award. He is an active member in DeMolay's International Supreme Council for the State of Tennessee, and the 7th Preceptor of the International Supreme Council of the Order of DeMolay.

He is a member of Daylight Lodge No. 759 and is a Past Master of that Lodge; Penn Chapter No. 22; Eureka Council No. 6; St. Elmo No. 15; Tennessee Consistory No. 1 (being a Past Wise Master of Calvary Chapter); St. Stephen Conclave No. 20; Red Cross of Constantine; The Cabiri and an Honorary Member of the Volunteer Chapter No. 414, National Sojourners. For a number of years he has been a member of the Masonic Veterans Association. He was coroneted 33° Honorary in 1949, Southern Jurisdiction.

He served as Potentate of Al Chymia Temple in 1947 and is a member of the Royal Order of Jesters Court No. 130, Memphis, Tennessee, and has served as Director of that organization. He is a Trustee for the Shrine School for Handicapped Children of Memphis.

He has served as Deputy Commissioner of the Boy Scouts of America for the Chickasaw Council, which covers the Memphis area. And, he has served as Appeals Agent for Draft Board No. 86 for the past twelve years.

Our Imperial Sir is a member of the Memphis and Shelby County Bar Association; the Tennessee and American Bar Associations and, at one time, served as a Director for the Memphis and Shelby County Bar Association.

He is a member and Deacon (on rotation) of the Evergreen Presbyterian Church of Memphis, Tennessee, having first been elected a Deacon in 1927. He has served as Chairman of the Finance Committee; Chairman of the Building Committee, and Chairman of the Board of Deacons.

He belongs to the Tennessee Club, Executive Club, Summit Club and Chickasaw Country Club.

Hobbies — he collects broken bank notes, large size U. S. Currency, and plays bridge.

TO THE NOBILITY

"Es Selamu Aleikum"

AS YOUR Illustrious Potentate I wish to express my sincere thanks and gratitude to you, the Nobles of Aleppo, for electing me to serve you this year. I look forward with joy and humility to the experience of serving as the head of our great Temple and will strive to measure up to your expectations of me as well as those of the capable men who have preceded me in this exalted office. But, Nobles, I am going to need your cooperation and valuable support that we may together enjoy the prosperity, fraternity and activity . . . the same spirit of good fun . . . that has been so traditional in Aleppo.

One of the principal aims, as I understand the mission of the Mystic Shrine, is to promote good fellowship and rational recreation to dispel the clouds of sorrow and despair with the genial rays of fraternal sunshine.

Those of us who belong to the Shrine know well the jovial good fellowship we find in its pleasure-loving meetings and Ceremonials. We know of the big heart every Shriner has for helping crippled children—giving these kids a chance to defeat their handicaps.

Sometimes there are false impressions about fraternal organizations. No man ever took the oaths and subscribed to the obligations with greater watchfulness and care than I experienced in receiving the various rites of Masonry, and I say it with due deliberation and without breaking faith. I have never encountered a lesson, never witnessed an example, never heard an obligation uttered which could not be openly proclaimed to the world. And if the lessons taught were heeded, the obligations read were assumed, the fellowships urged were practiced, men would be infinitely better in their human relationships and better citizens of this country of ours.

On Saturday, June 8, our Imperial Potentate will pay Aleppo an official visit, when he will be the guest of honor at the annual All Masonic Night in Boston Garden, sponsored by Aleppo Temple and dedicated this year to Massachusetts Masonry. Shrinedom is fortunate to have an outstanding leader with the fraternal and civic background of our Imperial Sir, George M. Klepper. We welcome him to the Oasis of Aleppo.

Our future meetings and functions are many and varied. Following our 80th Anniversary Ceremonial, May 16, we will hold a Shrine Luncheon in the Statler Hilton Hotel Ballroom, Tuesday, May 28. On June 8, we will hold our All Masonic Night in Boston Garden; July 22, our Annual Golf Outing and Tournament will be held at Woodland Golf Club, Auburndale. Details of all of these events will be found in this official publication.

Monday night, August 19, has been reserved with the Boston Red Sox for a Shrine Baseball Game. This year we will have a Family Night game, with the Cleveland Indians opposing Johnny Pesky's Red Sox team.

In previous years we have "taken the Shrine to the Shriner" by holding Full Form Ceremonials and parades in both the Western and Northern Areas of our jurisdiction. This year we plan a Full Form Ceremonial, parade and "Hot Sands" initiation in the Southern Area late in August. Our complete entourage of Officers, Uniformed Units and Ritualistic Degree Team will travel to New Bedford where the Shrine Club of

ILLUSTRIOUS HERBERT N. FAULKNER

Southeastern Massachusetts will be host and provide 100 Candidates for this special Ceremonial.

Plans are being formulated for another all-jet tour to Europe, the first week in September, to either Copenhagen or Paris. We would appreciate your expression of choice as explained on the back cover of this notice, to assist us in making a decision.

The Northeastern Shrine Association will hold its Annual Fall Field Day at Hartford, Connecticut, Saturday, September 21, at which time our Officers and Units will participate in the parade and other events with the thirteen Temples of the Northeast.

Plans are now being formulated for our annual Shrine Circus early in October.

On Sunday, November 24, we will hold an Aleppo Memorial Church Service in memory of our departed Nobles.

The final Full Form Ceremonial of the year will be held in Commonwealth Armory, Boston, on Thursday, December 12.

Special detailed notices of all events will be mailed to all members in due time.

"Our Temple is secure and free from jeopardy." Let us continue to build our Shrine to higher and better heights, to the end that our endeavors will bring happiness and joy to all the Nobility.

OUR ILLUSTRIOUS POTENTATE

ILLUSTRIOUS Herbert N. Faulkner, prominent in fraternal and banking circles throughout the East, was elected Illustrious Potentate of Aleppo Temple at the Annual Business Meeting and Election of Officers held in the Commonwealth Armory, Boston, on Friday, January 11, 1963.

More than 4,000 Nobles attended this Winter Meeting to witness the election and installation of their new Officers and initiation of new members into the Order.

He is a 33rd Degree Active member of the Supreme Council, Ancient Accepted Scottish Rite, Northern Masonic Jurisdiction, and Treasurer of Trustees of the Supreme Council. He recently became Deputy of the Scottish Rite for Massachusetts, succeeding the late Dr. Emil U. Dillenback of Springfield.

Mr. Faulkner is a Past Deputy Grand Master of the Grand Lodge of Masons in Massachusetts, a Past Commander-in-Chief of Massachusetts Consistory, a Past Master of Wyoming Lodge, A. F. & A. M., of Melrose, Past High Priest of Waverly Royal Arch Chapter and an Honorary Member of the DeMolay Legion of Honor.

His membership in other Masonic and Fraternal Organizations include Melrose Council, Royal and Select Masters, Massachusetts College Societies Rosicruciana, Red Cross of Constantine, and Boston Court No. 103, Royal Order of Jesters.

He was graduated from Boston University, B.B.A., M.B.A., and is a graduate of the American Savings & Loan Institute, Boston Chapter. He was formerly associated with the Beacon Trust Company of Boston (now a part of The First National Bank of Boston) and the Workingmen's Co-operative Bank as Assistant Treasurer, a position he resigned to become Secretary-Comptroller of the Federal Home Loan Bank in 1932. He was elected Vice President of the Bank in 1933 and was elected President in 1948, a position he now holds.

He is a Trustee of the Savings Associations Retirement Fund, and a former President of the Financial Advertisers Association of New England. He is a Past President of the American Savings and Loan Institute and a Past President of the Organization's Boston Chapter where he was for many years an instructor on banking subjects.

Mr. Faulkner attends the Melrose Unitarian Church and is a member of the Board of Trustees of the Church Endowment Fund. He has served as Superintendent of the Sunday School and a Director of the Trustees of the Church. He was a member of the Melrose School Committee for twelve years, eight of which he served as Committee Chairman.

ACHIEVEMENTS AND ANTICIPATIONS!

By Noble Henry S. C. Cummings, Historian

IT WAS indeed a most memorable evening that we all experienced at our last Ceremonial of Aleppo Temple. Our former Illustrious Potentate James C. Bayley did a superb job in recognizing and rewarding the many who helped to make last year so statistically outstanding. We will be proud if we can do as well this year in matching the record he achieved when 666 walked the "hot sands to Mecca". The evening, from a weather point of view, could not have been less inviting, but you just can't keep our faithful Nobles

away from a meeting of the Shrine. We had over 4,000 on hand, and everyone present really enjoyed the buffet supper, the maneuvers of the colorful and peppy Arab Patrol, Band and Mounted Patrol, as well as the Temple and Divan Guards, Chanters, Oriental Band, and the hilariously good time carried out by the Degree Staff for the "benefit" of our new members.

Our Temple, which has over 16,000 members, is the fourth largest of the 167 Shrine Temples in North America. We are proud of that standing, and few other Shrine Temples anywhere have more experienced and dedicated officials than we have in Aleppo. Just to name a few . . . Recorder Harvey B. Leggee, for instance, who has served us for the past 40 years, a record almost without equal; one of our Past Potentates, Edgar L. Turner, represents Aleppo in the National Line as Imperial Captain of the Guard; and another of our Past Potentates has occupied the Office of Imperial Potentate of the Shrine of North America, Judge Robert Gardiner Wilson, Jr.; while still another has been the Grand Master of the International Supreme Council of the Order of DeMolay, and a former National Head of the Royal Order of Jesters, Willard P. Lombard; still another was the Grand Master of the Grand Encampment of Knights Templar of the United States, our Senior Past Potentate Harry G. Pollard!

We want everyone to know who received the "Robert G. Wilson, Jr. Distinguished Service Medal" at the January Ceremonial. This is the choicest award the Shrine presents to its Nobility. In addition to the retiring Potentate, there are not more than two such awards presented in any one year to Nobles who have served Aleppo Temple beyond the call of duty. We want to offer heartiest congratulations to the two Nobles who received this recognition for 1962. They were Noble Henry F. Bell, Director of Ceremonials, and Noble Louis F. Salerno, M.D., Chief Surgeon—two indispensable men! They are the second and third Nobles to receive this coveted "Medal of Merit" following inauguration of the Medal by Past Potentate George B. Rowell in 1961, at which time the Medal was awarded to our Recorder, Harvey B. Leggee, and the Commander of our Uniformed Units, Colonel Rangnar Fridolin.

We also want to salute that long line of Nobles who produced 10 Petitions each during 1962—especially Karsten H. Sandmo, 1st Lieutenant of the 5th Platoon of the Arab Patrol, and a member of the Temple Membership Committee, who led all others with 16 Shrine Petitions for the year.

By the way, Nobles, there must be a half-dozen eligible Masons in each of the 35 Masonic Districts around Boston that YOU can round-up for each of our four Ceremonials! Do you know what this would mean if you were able to pick up their Petitions? It would give us a total of 840 new members for the year—and that would make us all so very happy. How about spotting these for our May 16th Ceremonial (6 from each District). All it needs is our good old Aleppo enthusiasm and the spirit of "come on, fellows—you'll never regret it"! Our Potentate says that he is going to get at least one Candidate—how about giving him a little cooperation? Let's build Aleppo's SPIRIT this year, so that everybody will know we are a Shriner and that everyone will know we believe there is no other Shrine quite like Aleppo!

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN—BURNS INSTITUTES

BURN THERAPY is today — as orthopedic therapy was yesterday — our country's greatest unmet medical need. Famed doctors have said that children's burns are one of the most poorly treated conditions in American medicine. And treatment that is given in severe cases is very costly. Many times inadequate treatment of burns lies in the great expense associated with complicated burn care.

Realizing the great and urgent need for burns hospitals to treat children, the 830,000 members of the Ancient Arabic Order of the Nobles of the Mystic Shrine have allocated \$10 million to build 3 Shriners Institutes for Children's Burns as an extension of their philanthropic work in the field of orthopedics.

The 3 centers, planned for location in Boston, Galveston and Cincinnati, will have a three-fold purpose:

1. To save children's lives and restore their bodies through intensive patient care.
2. To undertake research in burns therapy to advance medicine's ability to care for and treat children with burns.
3. To instruct medical personnel in the care and treatment of burned children.

Each center will have an annual operating budget of \$1.2 million. The Boston facility will be located close to the Massachusetts General Hospital and operated in association with Harvard University School of Medicine. The new Shriners Hospitals, operated on a 100 percent charitable basis, will be equipped and staffed to save children's lives and prevent deformities, disabilities and disfigurements that often result from severe burns. Announcement of plans for the three burns hospitals represents 5 years of investigative study by members of the Shriners' Burns Institute Committee headed by Past Imperial Potentate Harvey Beffa, St. Louis; Judge Marshall M. Porter, Past Imperial Potentate, Calgary, Alberta; Carl A. Rahn; Past Imperial Potentate Robert Gardiner Wilson, Jr. of Boston; George A. Mattison, Past Imperial Potentate, Birmingham, Ala.; Harold C. Close, Imperial Potentate, and O. Carlyle Brock, Eric, Pa., Imperial Potentate for 1964.

In 1958 the Shrine took stock of the past history of the Shriners Hospitals for Crippled Children in the U. S., Canada and Mexico and the 125,000 children who have been treated and healed in them. The organization realized that with the development and advent of the miracle drugs, the Salk vaccine and the sulfas, many of the cases corrected in children in the past would not be troubling children in the future. Though sharp growth in population increases the number of children, the rise in numbers requiring orthopedic care is not increasing as rapidly, although most of the Shriners Hospitals have waiting lists for non-emergency problems.

The need for such service is apparent because there is only one burn center in the country — the Brook Army Center at San Antonio. At the 88th annual session of the Shrine in 1962 in Toronto it was said we have a rare opportunity to establish burn centers where children may be saved from the torment of scars of burns. It is an atomic age, proper knowledge and effective treatment for burned patients could mean the difference between extinction and survival of thousands. The first of the 17 Shriners Hospitals for Crippled Children was opened on September 16, 1922. Today, there are 13 in the Continental U. S., 2 in Canada, one in Hawaii, and one in Mexico. They represent an investment of \$25 million and are operated at an annual budget of \$7 million.

The hospitals are open to all children under 15 years of age regardless of race, color or creed whose parents are

unable to pay for the needed surgical, medical and hospital facilities.

The average patient spends approximately 90 days in a Shriners Hospital at a cost of some \$1,500. Any Shriner can recommend a child by securing an application from his Temple or hospital unit. Since establishing the first hospital \$75 million has been spent for operating expenses alone. The money for the hospital comes from many sources including an annual assessment of \$5.00 from each Shriner, income from investments, voluntary hospital life memberships, permanent hospital life memberships, wills and bequests of Shriners and non-Shriners, gifts and contributions from many people and money raised by individual Temples. Shriners Hospitals are operated by a national Board of Trustees.

Letters sent out by the Burns Committee to over a hundred hospitals were evaluated by an Advisory Board and recommendations were made of the offers. Through these recommendations the Committee visited 21 different cities. At the midyear meeting in Florida in January of this year Boston was chosen No. 1 choice. However, after meeting with officials at Mass. General and finding their scarcity of land, the Shrine architect was not too hopeful that a hospital could be built on the proposed site. Judge Wilson of Boston said, "Don't tell us how it can't be done, but how it can be done." Architects were brought from St. Louis to cut the pattern with the material they had to work with so to speak. They came up with plans for the proposed building of 200 foot frontage, but only 40 feet deep. Mr. Ellerbe said the operating costs would be prohibitive and advised the Shrine not to build. Judge Wilson was given the task of either coming up with sufficient land for the hospital or forget Boston. Negotiations with the Trustees of Massachusetts General having brought no practical results he arranged a meeting with the Boston Redevelopment Authority, attended by Dr. Paul Russell, Chief Surgeon of Massachusetts General; Dr. Oliver Cope, whose chief interest is in the burn field and whom President Kennedy has just made Chief Advisor to him on Atomic burns and members of the Redevelopment Authority. Judge Wilson was promised conveyance of some 40,000 square feet of land on Blossom Street, directly opposite the Research Building of MGH which should be the required amount of land needed, and the Burns Committee is due here within the month to complete all necessary negotiations. Mr. George Mattison, Chairman of the Building Committee, will be present, and there are hopes of all necessary preliminary steps before the year's end.

In the meantime, Dr. Oliver Cope on visits to Birmingham, England, where the burn hospital there gained recognition during World War II, as well as other hospitals in England and the Continent, he observed foreign progress in this entire field. Early plans will be made for interim hospital facilities with sufficient beds to assure anticipatory assembly and advance training of a medical staff to be at once available when the Shrine hospital is completed for occupancy.

Shriners of this area can well be proud to be a part of this great venture. Dr. Russell, Chief Surgeon at the MGH points out that it will not be just enough to treat burns; he is assured with the facilities provided in patient care, training and especially research there will be a break-through. Little progress to date has been made in transplants of kidneys or liver and solution can only be found through training, experiment, and research by the most outstanding medical men available.

It may well be hoped that Nobles, appreciating the honor of the choice of Boston for one of these three great pioneer Burns Institutes in America may favorably consider appropriate provision by will or by donations towards the completion of this splendid philanthropic project. Appropriate recognition will be given.

ALEPPO BOWLING LEAGUE

By Noble Frank W. Kittredge, Secretary

ALEPPO'S OCTOGENARIAN bowler, Noble James Nicholl Greig, was born July 1st, 1874. That's right, 89 years ago . . . and he is still showing the boys how the "hard ones" can be made "on the alley." He has been right near the top of the list in averages on our Aleppo Bowling League and recently led the League in individual averages. That is more than a great many bowlers in any league can boast of, regardless of age!

Over the past 70 years he has always been a high average bowler with various clubs.

Jim was one of the original idea men when the Aleppo Bowling League was formed in 1935 and helped to organize the League with Past Potentate Clarence J. McKenzie and Recorder Leggee. Jim was the first President of our League and later President Emeritus, thereby making

NOBLE "JIM" GREIG

room for others to have the honor of leading the League.

Jim has a fine military record, too. He served in the Spanish-American War with the 6th Massachusetts Volunteer Militia and had a distinguished record in World War I as a Lieutenant Colonel in military circles.

His ramrod back and unflagging vitality have become legendary; his staying power is something for the rest to wonder about and respect.

In addition to being familiar with all bowling games, he has a fine reputation as a golfer (a hole-in-one man) and, as a Shriner, they don't make 'em any finer!

What an outstanding record! What an outstanding Noble! And still near the top of the list in averages in a Bowling League. What a man! More power to you, Jim.

DON'T SCARE AWAY CANDIDATES REQUEST NO WORK "RED TAG"

THERE ARE MANY Scottish Rite and York Rite members eligible to be Shriners who hesitate to petition for membership in Aleppo. Because of physical or other good and substantial reasons, they are unable to endure the ordeal of the very much over-emphasized "Shrine initiation."

There are always plenty of able and willing "Novices"

in our classes of candidates to properly stage our "Second Section Initiation" . . . SO LET'S NOT SCARE AWAY ANY CANDIDATES who might feel that the initiation would be too strenuous. Rather, let us seek these fellows and assure them that this part of the ceremonies is NOT OBLIGATORY. Upon request of the Sponsor or the Candidate petitions will be plainly marked "NO WORK" and there will be no ordeal in such cases and they will become WATCHING CANDIDATES.

THE OLDER SHRINER

AMONG OUR RANKS as Shriners are at least half of our membership who are facing the slowing up years in life — the period when many have reached retirement age; when there is greater freedom from exacting routine; and when, for some, there is need for such an organization as the Shrine to give a lift and accent to life. What then is the viewpoint of the older Shriner? Our founders could not have better considered the interests, needs and whims of our maturing ranks than they designed — if you stop to think of it, for any age — but particularly for those past 65 — what one wants to find in such an organization is a place where they can go every so often and find some of their old friends to chit-chat with; where they can be fascinated by the spectacle of colorful marching uniformed patrols, spirited band music and be entertained by light-hearted foolishness — the kind that brings out spontaneous chuckles and hearty laughter. They want to feel their membership will do some good, as it does in the support of the Shriners' Hospitals for Crippled Children; and they get satisfaction in the fact that the Shrine is not just something quaintly local. It does not take long to know that there are Shriners everywhere, in every State, as well as all over the world. The Shrine emblem we proudly wear is recognized wherever one travels — even as far away as the hot sands of the Sahara Desert!

As some of us relinquished our lifetime endeavors to younger hands, which is part of the inevitable sequence of life common to all men, we need to take on new interests, new concerns, new activities to fill the gap. Here is where the Shrine is a Godsend, for it delights to have its members sing in the Shrine Choir, march in the patrols, aid in expediting the stunts at Ceremonials, register and help initiate the Candidates and serve literally in hundreds of different and useful ways—none too difficult or strenuous even for the older member. The Shrine develops a young outlook on life. It gives the older member renewed incentive, a useful place, a sense of belonging to the team that keeps the "spirit" of the Shrine alive and prospering! The Shrine adds the ingredient of mirth, gaiety, wholesome fun to our day and generation which is, unfortunately, pretty grim and sobering. With its rhythm, traditions, protocol — its drama, excitement and color — it gives one a lift from whatever circumstances may surround him. The very nature of the Shrine makes its informalities a bridge between peoples. Dedicated, as it is, to serious and worthwhile ends and sprung from the alters of Freemasonry — Shriners find in its spirit, room for play. They find unity of heart through the sharing of common experiences — even walking the hot sands, which for some is a ludicrous temporary affront to personal dignity!

That old Fez! Indeed, the older it gets the dearer it becomes! Shriners — Masons all — how can they grow old so long as they get to wear their fez often? Our world may be all mixed up and muddled; politicians may keep us confused telling us what to do to bring about improvement but as the years roll on can we do better than help to make our Masonic ideals and principles stand up; and our Shrine "Spirit" typify the way to bridge the differences of men? The fez reminds us, symbolically at least, that we should possess a sense of humor, a feeling of goodwill as well as a willingness to lend a hand. It is a pretty big package the Shrine offers to its members when you tally up the friendships it offers: the 1001 duties and responsibilities that are available to those who desire activity in its ranks; and all the wholesome fun it packs into each of its Ceremonials for all of us to enjoy. Thank God for Masonry, the Shrine — and Aleppo!

NOW'S THE TIME — TO MAKE A LIFELONG DREAM COME TRUE

THERE IS NOTHING finer or more welcome to the eligible candidate than **THAT WONDERFUL GIFT** — of being able to petition for membership in the Shrine. Records show that in our jurisdiction there are hundreds of eligible prospects who have "long dreamed" of the day when they could petition Aleppo Temple.

In this Christmas season when our thoughts turn towards the joy of giving — it is opportune and right that we suggest to the **WIVES, CHILDREN, PARENTS, BROTHERS and SISTERS** of our every eligible Blue Lodge friend — that they give him what he has *not given himself* — **A SHRINE MEMBERSHIP**. It's the gift that will make his face beam with radiant joy on Christmas morn.

I urge you to suggest and to tell these relatives of what this gift will **MEAN TO HIM**. Tell them:

It's a gift that **WILL BRING HIM HOURS OF FELLOWSHIP**.

He will make new friends — meet new people. He will enjoy a fellowship that is unequalled in tone and quality.

It's a gift that **HE WILL TREASURE FOR YEARS**.

It's his to use — to enjoy month after month, year after year.

It's a gift that **WILL GIVE HIM PRIDE** — because as a Shriner he will be part of the World's Greatest Fraternity.

It's a gift that **WILL BRING HIM COUNTLESS HAPPINESS**.

It's a gift of **MAGNIFICENT PHILANTHROPY**.

As a Shriner he will be a living part of our 17 great Hospitals for Crippled Children, and three new Burns Hospitals for Children.

It's a gift **FOR HIS FAMILY, TOO**.

His family will share in our Temple's colorful socials, smart parties, dances, dinners, entertainments and outings, sponsored by our Temple and eleven Shrine Clubs.

NOW is the time to make this worthwhile suggestion. You can rest assured that this *gift suggestion* will be appreciated by "our eligible candidates" relatives — as it is the gift that will **POSITIVELY PLEASE HIM** — it's the gift that will fulfill his most *cherished dream*.

Besides all this, it will give your Temple "the gift" of new loyalty, new devotion, new strength and new dedication, that comes only from new members.

IMPERIAL CRUISES IN 1964

PLAN now to join with Imperial Sir Harold C. Close on his Shrine Cruises to the Caribbean and to Hawaii, in 1964.

The Caribbean Cruise is scheduled aboard the SS UNITED STATES and will sail from New York on February 8. The ship will call at Nassau, Cristobal, Curacao and St. Thomas, Virgin Islands. Return to New York will be on Wednesday, February 19.

Definite information on the Imperial Potentate's Hawaiian Cruise is printed elsewhere in this notice. Imperial Sir Harold C. Close and Mrs. Close extend an invitation to the Nobility and their friends to join them on either or both of these two trips.

REPORT ON ALEPPO 20'th SHRINE CIRCUS

ALTHOUGH out of a membership mail-out numbering over 16,000 only six letters of criticism were received by your Circus Chairman, it may well be in order to say a word concerning this year's Aleppo Temple sponsorship of the internationally famous Moscow Circus at the Boston Garden in October. One letter read: "I am very disappointed and surprised that such a great order as the Shrine would allow such titles as 'Russia's great Moscow Circus' for the amusement of our youngsters! Indeed this is delightful propaganda for the Communist, planting seeds which might later reap corruption to this country.— I cannot support anything which might add to the cause of Russia and ultimately turn away from the God who has blessed our land through the ages."

While your Chairman cannot share the fear that an afternoon watching Russian trained bears or circus riders would corrupt or unduly influence American children, we also would have preferred to sponsor our customary Hamid-Morton production at the Boston Arena. But the calendar, coupled with developments over which we had no control, made the change not only advisable but necessary.

We usually run some 10 performances. Seating capacity at the Arena is some 5200. The average evening shows are not too well attended, forcing reliance on our forenoon and matinee shows. But to assure seating space for our *free* shows for less-privileged children, we absolutely require more than a Saturday and Sunday at the Arena; the Columbus Day holiday in 1961 and 1962 afforded us that extra open day for thousands of children. Unfortunately *this* year Oct. 12 fell on Saturday, so the extra day was lost.

One plan therefore was to transfer our usual October Shrine Circus to the Boston Garden with its 14,000 plus seating capacity which might partially make up for the lost school holiday, despite increased rental. But the Garden had already booked the Moscow Circus, Boston being one of 6 American cities chosen for a "cultural exchange" visit involving our Ringling Circus on a Russian trip and the Moscow Circus in America, with State Department approval, supplementing similar earlier exchange engagements by an ice show and by a ballet. Faced with this choice between participation in a Garden circus,—which would assure *ample* facilities for our annual free circus shows for the less-privileged, as well as financial security,—and a *competitive* 1963 Shrine show at the Arena with facilities wholly inadequate for our charitable purposes and involving the risk of substantial financial loss, sound judgment seemed to dictate the course chosen.

Your Chairman is pleased to report a *most* successful engagement, due once more to the loyal and generous response by so many of the fine Nobility of our great Temple. And we have been slow to believe that the novelty of this year's unusual and outstanding circus will have any lasting adverse effect on the patriotism or religious convictions of our Metropolitan Boston kiddies.

A letter from Elizabeth Peabody House of Somerville is enlightening: "On behalf of the children who so thoroughly enjoyed the Moscow Circus last Saturday morning — I should like to thank you and the Shriners

for your generosity which made it all possible. The large majority of those who went from here would most certainly otherwise not have seen the performance which was such a marvellous demonstration of what imagination, humor, skill, and perserverance can produce. Also, not to be overlooked, is the *unofficial goodwill gained when peoples of two countries so officially at odds with one another can laugh together at things universally enjoyed.*"

Incidentally, the Moscow Circus was the one hour TV feature of the Ed Sullivan Show, Sunday evening, October 27.

Shrine Night, on Thursday evening, October 10, included a parade of the uniformed units from Copley Square to the Boston Garden by way of Boylston Street and Washington Street. The unusual excellence, novelty, and precision of the Moscow Circus presented an outstanding performance long to be remembered.

The ticket sale response by our loyal membership was most gratifying, with especially typical responses such as that from Noble H. E. Dunkle, Jr., received airmail, special delivery, postmarked Wiesbaden, Germany!

Our special performances for less-privileged children on Saturday morning, Oct. 12 and Saturday morning, Oct. 19, included hundreds of children from no less than 70 different charities and organizations. Special groups were sponsored by the Cape Cod Shrine Club, the Newburyport Shrine Club, and the King Philip Shrine Club.

The Aleppo Temple Clown unit appeared at both the Saturday forenoon special childrens' shows.

Your Chairman desires to extend grateful recognition to those members of the Aleppo Temple Guards who cooperated so splendidly at these Saturday morning performances. The allocation and seating of thousands of children, arriving successively in large groups during a period of slightly over an hour before the show, can be an almost insurmountable task; but patient and efficient handling of these groups of welcome guests by the following Nobles certainly reflected real credit on Aleppo Temple. We appreciate the time and effort given by Nobles: Lombard, Harmon, Epps, Anderson, Breugelmann, Brown, Essex, Farrar, Frangolis, Garabedian, Lord, Metcalf, Morse, Norman, Soucey, Young, Mancib, Milley, Sweet, Waddle and Craig of the Temple Guards, together with Noble Harry Carlson of the Mounted Patrol and Nobles F. B. Ells and "Bill" Shannon.

Our Daddy List No. 2, with additional names listed in order of receipt to Nov. 6, 1963, follows. We hope we have included everyone.

Again we thank the Nobility of Aleppo from far and near for their fine support of our 20'th Shrine Circus.

Yours with and in the Faith.

Robert Gardiner Wilson

Chairman

1963 SHRINE CIRCUS — DADDY LIST NO. 2

Names Listed in Order of Receipt Up to November 6, 1963

THE NAMES of Nobles of Aleppo who previously joined the Shrine Circus Daddy Club, List No. 1, by purchasing five or more coupons to our 1963 Shrine Circus and returning the tickets with their check to admit less privileged orphans or handicapped children to our Circus have already been published. Printed below are the names of Nobles joining the Daddy Club up to November 6th.

The Circus Committee appeals to Nobles who have not already filed returns on their tickets for this year to join the Daddy Club now by returning unused Membership coupons and a check to cover at least a part, if not all, of the returned tickets. By so doing, these Nobles will not only assist the Committee in promptly balancing the ticket account of this year's Circus, but also make up any difference between requests made for Daddy tickets this year and the supply available. Additional Daddy Lists will be printed in future Shrine notices.
